

Get a Regal Look For Your Bathroom With Justyna Tatys

"Justyna Tatys is famous for creating luxury interior design projects filled with character and soul. Passionate about the ultimate luxury experience, the interior designer has created her own design studio that although it features inspiring home staging services and offices design ideas, it is specialized in exquisite residential projects, such as bespoke apartments, houses, and lofts."

MAISON VALENTINA
LUXURY BATHROOMS

"Based in Wroclaw, Justyna Tatys inspiring design studio offers the best high-quality services for every stage of the interior design project, like design stage, visual effect, and space organization."

"The **Newton bathtub design** features a single-slipper style shape, a timeless detail that conveys comfort. It has a distinctive curved lip, made out of gold plated cast iron, revealing a **golden interior**. The high-gloss black and gold lacquered spheres make the perfect combination to make this a sculptural and artistic piece."

MAISON VALENTINA
LUXURY BATHROOMS

"From Justyna Tatys inspiring portfolio, one of the best interior design projects that became viral is the incredible suite specially designed for the ZŁOTA 44 Tower in Warsaw. With an open concept design between the exquisite bedroom and the luxury bathroom area, this incredible luxury design project was created to amaze anyone who is lucky enough to step in it!"

"Inspired by the mystic behind the name, **Eden towel rack** represents a part of the tree of knowledge and the tale of the birth of desire. This exquisite bathroom accessory is fully made of polished casted brass, with a delicately engraved top exposing the heart of a golden tree to the very heart of a home. A golden touch to your **luxury bathroom**."

"Using global trends, Justyna Tatys successfully combines elegance, quality, functionality, and modernity into a coherent whole. The interior designer gained experience in the industry through individual practice, which is why she ensures that all arrangement works are carried out at every stage of the project. When creating every project, she uses new design techniques, and specially selected color bases, sophisticated furniture, and sophisticated accessories guarantee the possibility of a perfect match."

"**Newton** is an organic shaped freestanding made out of casted aluminum spheres that merge to create a tabletop, providing a unique design approach to this bathroom decor piece. It features an integrated round sink in polished brass for some golden accents. This **unique freestanding design by Maison Valentina** is a true piece of art!"

"Looking for inspiration, Justyna Tatys participates in the best design fairs throughout Europe. Based on experience and knowledge of the European interior design market, she tries to offer clients original and at the same time functional solutions, taking care of their preferences and needs."

"The **KIKI Side Table** evokes the romantic and seductive beauty of Parisian cabaret life into your **bathroom design**. The revealing frilled undergarments, the surprise high kicks, hoops in a circle accompanied by blinding splendor give this table a sassy new spin to this unique **side table design**."
